

2017 Schedule for Staff Interviews

Contact the Camp office for appointments, or stop in to sign up for an interview on the day of the campus visit. Interview times generally run from about 10:00 a.m. to about 4:00 p.m. Contact college Career Centers or listed campus ministries for additional details. While face-to-face conversations are always ideal, Facetime/Skype works well when that's not possible.
